About the puzzles

- Word searches are all easy: every word reads forwards, across or down, never backwards or on a slant. Each puzzle has 12 words.
- Sudoku: easy ones have many numbers filled in to start. Medium ones have fewer and need a little more thought.

Tips for staff

- Print at 100% (“actual size”): this file is already made for US Letter paper, with wide margins.
- A soft pencil, or a felt-tip pen with a ruler, helps steady hands.
- Read the word list aloud and let residents point to the letters.
- Pairs work well: one person finds the word, the other circles it.
- The answers are at the back. Keep them aside before you hand the pages out.
